

I have told you about Ceasar and his family building their house. Family meaning him, wife, daughter, mother and father; the whole crew. It is now finished and we went to visit. His wife grabbed me and told me what a blessing and how proud she is and this was her monologue for about 30 minutes.

(Ceasar & Family)

Her enthusiasm was just a joy to listen to and watch. When we arrived there were about 10 other people in the house; it has become a meeting place for conversation and prayer. Her parents are staying with them while her father gets treatment for his Diabetes. Where he lives there are few options for treatment. Before they did not have a place for them to stay, but now they can bless them with a proper room of their own.

Her father told me how her pastor is such a blessing for him, in fact he accepted Jesus through his ministry. Ceasar has told him to check out service on the internet and he accepted. This was a big step for him to even watch because he was a Chieftain in Macumba, witchcraft. He even started viewing parties with his neighbors. He was very excited to be able to meet Pastor Jose in person.

Jeremiah 29:11 (NIV)

For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future.

(Pastor Jose praying with Family)

We had a regular prayer meeting with the whole family.

Solange and her husband were building their house; she was 8 months pregnant and ready for a place to bring their new son, Joao. One night on his way home from work, Miguel, her husband, stopped to get a coffee. While he was leaving it started to rain and asked the owner of the shop if he could borrow his umbrella. The man said no and Miguel and he had some words about the umbrella. So Miguel left in the rain and started on his way home. The other man could not just let the conversation go and got a gun and shot Miguel, who died on the street. The man has run away and has disappeared and has not been seen since that day. Solange was left alone, 8 months pregnant, heartbroken and no home for her and the new baby. The news of her plight shook her neighborhood and they approached us to help. Several people offered to do the manual labor if we would provide the material.

(Solange and our crew)

We did and they did their part and now they have a dry, safe and finished home (Baby Joao)

We were able to visit and see baby Joao, see him because he was sound asleep the whole time. Solange wants to thank everyone who contributed and thanks God for all her blessings. She is still grieving her husband, but knowing that there are good people who care for others has helped her with this process.

We were busy ministering, with Pastor Kristen Gray of Great Door Ministries, she also works in Cuba & Mexico. We went to schools (Kids love stickers)

churches and homes; I am sure many will continue to be blessed through her messages.

(New home, blessed service, & Kristen Praying for the people)

We will be returning in November please keep us in prayer. Pray that we will be safe and have the most impact with the most people.
